

Rally Email Blast, Sat., May 24

Sat 5/24/2025 7:05 AM

2025 Ally Rally

Good morning Allies,

Welcome to the Rally Blast for today, **Saturday, May 24th.**

While today isn't a rally day, below are the highlights of what's coming up shortly.

Sunday Arrivals

Many of you will be arriving at the fairgrounds tomorrow, Sunday, May 25. Our parking team will be ready for you starting at **8:00am** and will continue to be at the entrance

until **5:00pm**. If you arrive before or after those hours, there will be a sign with a phone number to call. Check-in will happen at Gate 7. This is to help with all the traffic that will build up during busy arrival times. Please use [this link](#) to see a map that shows where Gate 7 is located.

Golf Cart Rentals

If you have reserved a golf cart with a **Sunday, May 25 pick-up date**, our parking team will communicate your arrival and site number with our golf cart team so they can deliver it. If you are picking your golf cart up ANY other day outside of Sunday, please plan to go to the Dairy Barn (down the street from where the service desk is located) between 9am and 10am to pick up your cart. The "Check-Out" date for your golf cart is the day your cart must be turned in by 10am to avoid any additional charges. Carts need to be returned to the Dairy Barn by 10am on the Check-Out date.

Feel free to email rally@alliancerv.com if you are not sure when your reservation starts and ends. If you rented your golf cart until Saturday, May 31, we are asking that you return it Friday night at dinner. We will give more directions in Friday's email blast. We will have parking team available to give rides back to your campsite.

Alliance Plant Tour

Unfortunately, we had to eliminate the factory tour that was scheduled to happen at 10am Wednesday, May 28th because we wanted to make sure everyone is at the Alliance Team Welcome & Rally Kickoff at 9:00am. If you had scheduled a tour on that date and time, you should have gotten an email asking you to choose another option. If you have not signed up for a tour yet and would like to, or if you need to choose a new option, please use [this link](#) to sign up. You will need to fill out the form for each individual attending so we know how many to expect. Tours will consist of a very large group that will split into smaller groups for different product lines once you get to the main campus.

Welcome Reception and Rally Bag Pickup

Please plan to attend the welcome reception, 4:00 pm - 7:00 pm at the Vendor Hall. Bring a drink and come out to get your welcome bag, meet some fellow Allies, and enjoy some food, games, and a live performance by High Gravity!

Rally T-Shirts

You will be receiving a rally t-shirt in your welcome bag for each adult you indicated would be attending. The shirts are red this year as a result of requests to participate in RED Shirt Friday, which is a reminder of all our service men and women who are currently deployed. We would love for you to plan on wearing your t-shirt for a short time to take the group photo, taking place on Wednesday after dinner (7pm), but also consider wearing it Friday to support our troops.

Potluck

Did you sign up to bring a dish to the potluck on Thursday night? If you haven't, no problem. Just bring something to share. No need to sign up. The theme will be Hawaiian night. If you have a Hawaiian t-shirt or other apparel, feel free to wear it.

Vendor Bazaar

We will be having a Vendor Bazaar tonight from 5:00 pm until 7:00 pm in the Vendor Hall. Grab your Welcome Bag, play some games, and then check out what our vendors have to offer you this week!

Pickle Ball Courts

Pickle Ball courts can be found in building F. Courts will be available for use starting on Sunday, May 25. Racquets and balls will be available, but feel free to bring your own if you'd like.

Pump-Out Medallions

For those who've pre-ordered Pump-out Medallions, you will receive them at the Welcome Reception. The first opportunity for pump out service will be Tuesday morning, May 27. If you want your unit pumped out on Tuesday, make sure your medallion is in front and clearly visible the night BEFORE. Online Pump-out Medallions sales are now closed. Should you need to buy a Medallion on Tuesday, please see April or Rob in the Event Hall - ECCC, and we can sell you one.

On Wednesday and Thursday, you may purchase Pump-out Medallions at the Alliance Merchandise Table in the Vendor Hall (Building A).

As a reminder, the last pump-out will be Friday morning.

Silent Auction Donation Drop-off

Silent auction donation items can be dropped off starting Monday, May 26, 10:00am-12:00pm and 3:00-5:00pm in the Workshops - Building E.

First Timers Rally Orientation

Is this your first time at the national rally? Plan to attend the first timers orientation on Tuesday at 2:00 pm in the Event Hall - ECCC. Please bring the agenda (found in your welcome bag) and something to write with.

Bourbon Tasting

This event is open to everyone and will be held on Tuesday evening at the Vendor Hall, 7pm-9pm. Participation simply requires bringing a bottle of bourbon to share (please mark your bottle with your name and your site location so anything leftover can be returned). The more unique the bourbon, the better! Plastic sampling cups will be provided at no charge.

Meals

Meals will be on your own until the rally officially starts on Wednesday. Consider a cookout with your neighbors or take in a local restaurant. South Side Soda Shop is a local favorite. Luxe Cafe is simple diner meals. Supreme China Buffet is a good large group option. Venturi is small but has great traditional Neapolitan pizza. Try Goshen Brewing for the Tuesday Pad Thai special and some good local brews. [Google map link](#) to the above places.

Golf Cart Golf Cart Fill-Ups

If you need your golf cart filled up with gas, your first opportunity for a fill-up will be Tuesday morning at 8:00am. Please bring your golf cart to the parking lot side of the Event Hall (ECCC) to follow a team member to the fill station.

Entering & Exiting the Fairgrounds

You may enter and exit any gate of the fairgrounds at any time, but please try to avoid using Gate 7 where check-in takes place. This will alleviate additional traffic in that area.
