

## National Rally Information Update – 17 February 2026

Hello, 2026 Alliance National Rally attendee! Congratulations on getting a spot at this year's national rally! We look forward to having an amazing rally and we're thrilled you can join us.

Below you will find some important information regarding rally, including a form that needs to be completed **as soon as possible**. Please be sure to read each piece of information carefully and let us know if you have any questions by responding to this email or by emailing [rally@alliancerv.com](mailto:rally@alliancerv.com).

**Attendee Information Form (Please do now):** Please use the following link to complete the Attendee Information form as soon as possible to plan for the arrival of your party. We will use this information to order t-shirts, prepare your welcome bag, and make meal and event plans, so please do this by **Friday, February 27** if at all possible. If we do not get this information form filled out, you will not have a bag ready at the Welcome Event on Tuesday, May 26.

**Pump Outs:** If you are in one of the following areas, you will have water and electric only, no sewer hookup: Area 4, Area 11, Area 12, Area 13, Area 14, and Area 15. There are free dump stations on the fairgrounds property, but if you would like to purchase pump-Out services, you can do so before your arrival by using the link below. Pump-outs will occur Tuesday, May 26; Thursday, May 28; and Friday, May 29. More information can be found on the link below. Pump-Outs will also be available for purchase when you arrive at the rally, but advance purchase is encouraged.

Link: <https://www.alliancervowners.com/rally/pumpout/>

**Minor Service Request Form:** You will have the opportunity to request 3 minor service requests to be performed at the national rally. That form will be available between March 2 and April 24. A link will be sent to your email address on or before Monday, March 2. Service requests should be related to original factory installed components, and repairs must be reasonable to perform on-site at the fairgrounds. You will be asked to provide a clear description along with any relevant photos for each service request, so we encourage you to start working on this now if at all possible. All parts needed for approved service requests will be ordered by our team. You will NOT need to contact our parts department for anything concerning an approved service request. We will do our best to address any recalls for your unit while you are at rally. You do NOT need to submit recalls on your service request form.

**Parts Orders for Rally Pick-Up:** If you plan to order parts to be picked up while you are at rally, you can contact our parts department starting in March to place those orders. You may email them at [parts@alliancerv.com](mailto:parts@alliancerv.com). This is the preferred method of contact. Please

be sure to say you are a rally attendee and would like to pick up your order at rally. Orders placed well enough in advance of the start of rally will be available for pick-up at the Service Building at the fairgrounds where the rally will be held. Orders placed days before or during rally cannot be guaranteed to be available for pick up at the rally. You do NOT need to order any parts related to your three minor service requests once they are approved. All needed materials will be taken care of by our team.

**Golf Cart Reservations:** If you reserved a golf cart you will be given the cart on the check-in day and it will need to be returned **by 10am on the check-out date for your cart reservation**. You MUST rent the golf cart for at least 3 days. Two-day rentals will be cancelled. If you would like to have the cart the entire day Friday, May 29, your return date should say Saturday, May 30. All carts will need to be returned at dinner on Friday night but still must have a return date of Saturday to keep them the entire day Friday. Our parking team members will be available to take you back to your campsites after dinner on Friday night. If your return date is Friday, May 29 (10am return time) and/or you only reserved the cart for two days, you will receive a new confirmation email highlighting your check-in and check-out dates for your golf cart. If you need to change your reservation or you have questions, please email [rally@alliancerv.com](mailto:rally@alliancerv.com) with the new dates and give permission to use the card you have on file for the difference in cost. You can also call the number at the bottom of this email with any questions you might have.

Below shows the correct turn in date to keep a cart until dinner Friday night (which is the latest return option).

Golf Cart  
Golf Cart 21  
Check-In  
Wed, 05/27/2026  
Check-Out  
Fri, 05/29/2026

**Reservation Changes:** If you need to change your check-in/check-out dates for your site reservation or your golf cart reservation at any time leading up to the rally, please email [rally@alliancerv.com](mailto:rally@alliancerv.com).

**Vendors:** We are working on lining up a bunch of great vendors and educational opportunities for you. We will be updating the vendor list as vendors are confirmed. If you would like to see some of the vendors from last year, please use the following link:

<https://www.alliancervowners.com/rally/vendor-listing-and-flyers/> (Light gray vendors are from 2025 and not confirmed yet for 2026.)

**Cancellations:** We understand that things come up and you may need to cancel. If you cancel between now and Wednesday, May 13 you will be refunded all but \$50, which will cover taxes and fees we can not recover. If you cancel after May 13, you will not be given a refund. Please contact us as soon as possible if you need to cancel. This will give the best possible chance for someone to fill your spot at rally. The closer we get to the start of the event, the harder it will be to fill your spot, and many times minor service requests can not be performed for units added close to the rally's start due to parts not being on-hand.

**Arrivals & Early Departures:** Please plan your arrival to the rally during daylight hours. Our parking team will be available between 8am and 5pm starting Sunday, May 24. To ensure everyone's safety, if you will be arriving after 5pm you may be asked to dry camp for the night in a designated area of the fairgrounds. If you plan to leave earlier than Saturday, May 30, please communicate this with our parking team during check-in. If you would like to add a night to the start of your stay at the fairgrounds (Sunday, May 24 is the earliest arrival date), it would be helpful to have that arranged and paid for before your arrival by emailing [rally@alliancerv.com](mailto:rally@alliancerv.com). Sites will be assigned as you arrive, so if you would like to be near friends, please plan to arrive at the same time.

You can find some more frequently asked questions here:

<https://www.alliancervowners.com/rally/faq/>

Again, we are very much looking forward to seeing you in May, and if there's anything we can help with in the meantime, please let us know.

Sincerely,

*April Clark*
