

Hello, National Rally Attendee!

26 February 2026

Please see below for important information.

- 1. Minor Service Form:** You will be given the opportunity for three minor service requests to be performed at the national rally. Service requests should be related to original factory installed components, and repairs must be reasonable to perform on-site at the fairgrounds. Items outside of the rally service request scope include (but are not limited to) general maintenance items, customer damage or insurance work, dropping holding tanks or underbellies, slide-room removal, replacement of large appliances, upgrades or modifications from original factory equipment. Upon submission, your requests will be reviewed by Alliance, and you will be contacted via email with the approval status of your request(s) or to request additional clarification if needed. Currently, the form is not available at the link below, but it will be **starting on March 2**, and it will remain **open until April 24**. Failure to fill out the Service Form by April 24 may result in our team not being able to address your concerns at the rally.

Minor Service Form Link: <https://www.alliancervowners.com/rally/service/>

- 2. Lippert Technical Institute:** Lippert is offering an Alliance owner exclusive RV Owners school May 19-21 (the week before rally). Sign-up is required and Lippert plans to open registration in March. If interested, please check the registration site below. When we receive word that the link has opened, we will notify you in the next email update. There is also an option if you follow the link below to be notified when registration opens. For more information, please see attached document, as well as the link below. Please note, the welcome dinner for the Lippert school will be held in the banquet room at Elkhart Campground, so if you plan to attend, the location will be convenient. Seats are limited. If you want a deep dive into your Lippert components, it's a great class!

- 3. Rally Attendee Info Form:** If you have not yet filled out your Rally Attendee Info Form, please do so immediately. We need this information to prepare for your visit. Without this information we will not be able to guarantee your t-shirt sizes at rally and there will be delays in getting your name badges (which give you access to all events), your Welcome Bag, and other important items. Please follow the link below to fill out the form if you have not already done so.

The days until rally are counting down, and we are so excited to see all of you in May!

Sincerely,

April Clark
